

GUI/NotifyCaregiverScreen.h

```
graph BT; A[GUI/mainwindow.cpp] --> B[GUI/NotifyCaregiverScreen.h]; C[GUI/NotifyCaregiverScreen.cpp] --> B;
```

A diagram illustrating file dependencies. At the top is a box labeled 'GUI/NotifyCaregiverScreen.h'. Below it are two boxes: 'GUI/mainwindow.cpp' on the left and 'GUI/NotifyCaregiverScreen.cpp' on the right. Blue arrows point from each of these bottom boxes up to the top box, indicating that both source files include the header file.

GUI/mainwindow.cpp
